Sub: Painting Competition for School Children on Water Conservation under Information, Education & Communication (IEC) activities of Ministry of Water Resources, Govt. Of India - Reg

Madam,

Ministry of Water Resources (MoWR), Government of India (GOI) proposes to organize National level painting Competition for School Children on "Water Conservation" for the year 2012-13 in similar pattern as done during the previous year 2011-2012 under its Information, Education & Communication (IEC) activities. Central Ground Water Board (CGWB), Southern Region (SR), Hyderabad will be the nodal department in organizing the same in Andhra Pradesh state. The main aim of the painting competition is to Sensitize the students on water related issues in the Country and develop the spirit of water conservation.

The Competition is being held in three stages viz., School, State and National Level for students of 4th, 5th & 6th standards and the school level painting competition is to be concluded by 30.09.2012. The target of the participation will be approximately more than 1, 00,000 in Andhra Pradesh State. The sub-theme of painting competition and modalities in details will be communicated shortly after receiving the same from the Ministry of water Resources.

As the Water conservation is one of the issue of National importance and concerned with all sections of the society, it is earnestly requested to inform & instruct concerned District Educational Sector & School Authorities in Andhra Pradesh for active participation of schools in the event for creating wide spread awareness on water conservation.

Your kind Co-operation in this regard is Solicited

Yours faithfully

sd/-

(Dr. P. N. Rao)
Regional Director (I/C)
